Dear Dr. Shicheng Guo,

Greetings!

Thank you for your mail. We apologize for the typo error in our previous mail. Our mail was intended for you to request a book chapter contribution for our eBook. This eBook is a compilation of recent research and review works in the field of **Genetic Engineering**. Hence, you may choose any topic of your choice which lies within the scope of the eBook.

Please find more details about the eBook below:

- **Tentative Submission Deadline: April 05, 2016**
- **Mode of Publication:** Open Access eBook
- **Publication Fee:** A nominal publication fee of USD 200 is charged per chapter upon acceptance from authors to cover the production and maintenance costs.
- We have attached the author guidelines for your reference. There is no page limit for contributing book chapters. However, we recommend our authors to limit their contribution to 10-12 pages, to keep the topic concise and interesting.

We will be happy to assist you for any further queries. **Kindly confirm your participation and book chapter title at your earliest convenience.**

We look forward to hear from you.

Regards,

Avid Science
