CPD Accredited Event

6th International Conference on Bioinformatics & Systems Biology

August 22-23, 2016 Philadelphia, USA

"Bridging Bioinformatics and Systems Biology: A Peek into Future"

Dear Dr.Shicheng Guo,

The purpose of this message is to welcome you to be a Speaker at the upcoming **"6th International Conference on Bioinformatics & Systems Biology"** (Systems Biology 2016) during August 22-23, 2016 at Philadelphia, USA which is a Continuing Professional Development (CPD) accredited conference.

[Click here](#) to view the Preliminary Scientific Program

Keynote Speakers:

Michael Christman, President and CEO, Coriell Institute for Medical Research, USA

Georges Grinstein, Professor and Director, University of Massachusetts Lowell and Weave Visual Analytics, USA

Mark A. Feitelson, Professor and Chair, Temple University, USA

Robert Clarke, Director, Center for Cancer Systems Biology, Georgetown University Medical Center, USA

Corrado Priami, President and CEO, The Microsoft Research - University of Trento COSBI, Italy

Scientific Sessions:

Structural Bioinformatics

Systems Biology

Computational Systems Biology

Computational Methods in Systems Biology

Evolutionary Bioinformatics

Bioinformatics technologies in Medicine

Big Data Analytics & Database Management

Computational Immunology & Drug Designing

Bioinformatics approach to Pharmacy

Computational Biology Case Reports

Bioinformatics Business Trends & Career Development

For further details, please go through the website: <http://systemsbiology.conferenceseries.com/>

Please do not hesitate mail us if you have further queries, we will be glad to assist you in all means.

We appreciate your time and look forward to hearing your opinion soon.
