Dear Dr Shicheng Guo:

Thank you for joining IASLC! With your membership, you have joined a global team of thoracic oncology experts and leaders who are dedicated to use all available means to eliminate lung cancer and other thoracic malignancies throughout the world.

Your **new member certificate** is enclosed and we encourage you to take full advantage of your member benefits, a few of which are listed below. Members receive the certificate in the first year after joining. We hope you have found IASLC membership beneficial, and we will continue to be a part of the IASLC throughout your career.

Medical and allied health professionals have found value in IASLC through the following benefits:

- **Collaboration** with global team of thoracic oncology experts and leaders;
- **Member access to the Journal of Thoracic Oncology**, the premier journal in lung cancer;
- The latest **classification and staging publication**;
- **Multidisciplinary education** including the latest in ground-breaking research and treatment in thoracic malignancies;
- **Discounted registration** to IASLC meetings, including all regional meetings and the World Conference on Lung Cancer in Denver 2015, workshops and webinars;
- Eligibility for **Fellowship and Travel Awards**;
- Opportunities to participation in IASLC leadership groups;
- Monthly newsletter and key updates on events, grants and opportunities for members.
- And much more! Visit www.iaslc.org for all the latest news, information and events.

If you have any questions, please don't hesitate to contact us by phone, email or fax listed below.

Thank you for being a member of IASLC!

Sincerely,

Kristin Richeimer
