Dear Shicheng,

Please refer to the instructions below for your Drug Screen. Read through the requisition and follow instructions carefully.

Note that it is VERY IMPORTANT to contact the LabCorp sites to schedule an appointment as they do not accept walk-ins. Recommended Labcorp sites are also indicated below as not all sites perform Drug Screening.

Call the LabCorp Patient Service Center of your choice and call the Center to be sure they collect specimens for urine drug screens. Ask the LabCorp employee to confirm the days of the week and time of day specimens will be accepted. Schedule an appointment.

Not all LabCorp Patient Service Centers collect urine for drug screens. Day of the week and time of day specimens will be accepted may vary.

You may also schedule an appointment @ <http://www.labcorp.com/>.  
From the menu choose > I am a patient > schedule an appointment

Regards,  
Denise
