Dear Dr Shiheng Guo,

Recently we have received at our **Medical Science Monitor** office a paper entitled " **Association of GSTM1, GSTT1 and GSTP1 Polymorphisms with Esophageal Cancer Risk: an Updated Meta-Analysis**".

We would be very grateful if you'd agree to critically evaluate this manuscript by 2015-10-26.

To view abstract of the paper please kindly click the link below

www.medscimonit.com/review/article/code/RBTM2jHECa4Ar6d

If, for any reason, you are not able to fulfill our request, please click [decline] button after getting in to the provided link. It will help us to react promptly and send additional review request.

The Authors will be especially grateful as it will help to shorten the whole evaluation process.

We look forward to your decision.

Sincerely,
Editorial Office
Medical Science Monitor
