ELSEVIER

Thank you, valued Reviewer

With 2015 having drawn to a close, we want to **thank you** for
the time, energy and expertise that you contribute to your vital
role as a peer reviewer. Your recent review for *Cancer Letters*
helps the journal maintain the high quality and standards it has
reached today. We look forward to continuing our collaboration
in 2016!

Did you know that all our reviewers are entitled to:

- **Free 30-day access** to Scopus
- **Free 30-day access** to ScienceDirect
- **A free mentoring booklet**: *Charting a course for a successful research career*,
  written by 30-year research veteran Prof. Alan Johnson
- **Access to our** Publishing Campus**,** which provides online lectures, interactive
  training modules, live topical discussions and professional expert advice for
  researchers looking to improve their skills in the fundamentals of publishing and
  academia
- **Access** to our reviewer resources

We also hope you find that our Reviewer Recognition Platform makes it easier for you
to be recognized for the important contribution you make to Elsevier's and other
publishers' journals. Track your reviewer status and more anytime on your
personalized page.

Again, thank you and best wishes for 2016!

Warning regarding fraudulent call for papers
We are aware of a fraudulent email that may incorrectly appear to have been sent by Elsevier,
inviting people to submit scholarly articles via email for publication in our various journals. More
information is available here.

This News for Reviewers e-mail has been sent to scguo@ucsd.edu from Elsevier Science & Technology E-news, Elsevier Limited, The Boulevard, Langford Lane, Kidlington, Oxford OX5 1GB, registered in England with registered number 1982084.

You are receiving this e-mail in the belief it is of interest to you, because you are a reviewer with an Elsevier journal. If you do not wish to receive Elsevier Reviewer notifications from us in the future, you can opt out here.
